

**CENTER FOR INFECTIOUS DISEASE PREPAREDNESS  
CORE INFECTIOUS DISEASE EMERGENCY READINESS LECTURE SERIES\***

Please join us for our Core Infectious Disease Emergency Preparedness (CIDER) lecture. All CIDER Spring Lecture Series presentations are free.

Topic: **Medical and Public Health Flood Issues for California Health Officers - The Napa New Year's Eve Flood Experience**  
From helicopters to mold - during this lecture Dr. Smith will describe some of the issues which she confronted as a Public Health Officer during the January 1, 2006 flood in Napa County. Upon completion of the session, attendees will be able to:

- List 4 public health concerns during a flood
- List 3 public health issues that arise in the days immediately following a flood
- Understand the services a public health department should be prepared to provide at a local assistance center for flood victims.

Lecturer: **Karen Smith, MD**  
Health Officer  
Napa County, California

Date/Time: **Tuesday, May 2, 2006 from 12:00 p.m. - 1:30 p.m. PST**

Location: **Center for Infectious Disease Preparedness**  
1918 University Ave., 4th Fl. (at MLK Jr. Way)  
Berkeley, CA 94720-7350  
Tel: 510-643-4939

**Karen Smith, MD**

Dr. Smith is a board certified Infectious Diseases specialist who received her medical training at Stanford University. Prior to starting her medical training she received a Masters in Public Health from Johns Hopkins School of Public Health. She has worked in communicable diseases and epidemic control in several countries and is currently Public Health Officer for Napa County.

**\* On-Demand Viewing**

This lecture will be offered via on-demand webcast starting May 3rd. Go to <http://www.idready.org/webcast/> to view the webcast. Please contact Jeannie Balido at [jybalido@idready.org](mailto:jybalido@idready.org) if you have any problems with your connection.
